Bharat Taxi signs MoU with Delhi Metro Rail Corporation for integrated last-mile connectivity & mobility collaboration.

In a significant boost to integrate urban transportation and sustainable mobility, India's pioneering and world's largest driver-owned, cooperative-led ride-hailing platform Bharat Taxi , operated by Sahakar Taxi Cooperative Ltd. has forged a strategic partnership with the Delhi Metro Rail Corporation (DMRC) to provide seamless , safe and technology - driven last mile connectivity services across 10 key Delhi metro stations, with effect from January 31, 2026. Bharat Taxi also plans to progressively expand it's services to more stations in near future.

As a part of this initiative, Bharat Taxi will operate Bike Taxis , E-Auto/CNG Auto rickshaw and cab services on a market place model for last mile connectivity . Through this integration, commuters will be able to conveniently plan, book & pay for their complete door-to-door journey in a single unified experience, ensuring a smooth and hassle-free travel experience .

A step towards smarter , greener and inclusive urban mobility !

The partnership reflects Bharat Taxi's commitment to smart mobility solutions . It aligns perfectly with DMRC's vision of a fully integrated public transport ecosystem and Bharat Taxi's commitment to Sarathi (driver) empowerment and transparent services. The services will also be accessible directly through the **DMRC Sarathi App**, allowing commuters to seamlessly integrate metro travel with last-mile options. Features such as real-time tracking , transparent and fair pricing , cashless payments and digital receipts will offer commuters greater convenience , reliability & sense of assurance throughout their journey.

With a strong focus on safety , punctuality and service quality , Bharat Taxi will also ensure

- Low wait time during peak hours
- High fleet availability and uptime
- Well-trained, police verified & licensed Sarathis
- Consistent monitoring via user feedback & performance metrics

As a cooperative-led platform, Bharat Taxi continues to empower driver-partners by providing sustainable income opportunities , tech-enabled bookings and structured operations within a regulated public transport ecosystem . Bharat Taxi's alliance with DMRC reassures commuters of reliable, safe and stress free last mile solutions ensuring they reach their destination with confidence & comfort.

Jai Bharat !
