

Bharat Taxi Expands to Chandigarh, Launching Services with 7,000+ Vehicles.

The fleet includes 5,000 cabs, 1,500 autos and 500 bike taxis; expansion builds on presence in Delhi-NCR, UP, and Gujarat

Chandigarh | 20 April 2026

Bharat Taxi has launched its services for customers in Chandigarh, marking its entry into another key urban market.

At launch, the platform is operating with over **7,000 vehicles**, including **5,000 cabs, 1,500 autos, and 500 bike taxis**, providing multiple options for daily commuting.

The Chandigarh rollout follows the platform's expansion in Delhi-NCR, UP, and Gujarat, where it has built a steady base of Saarthis and customers.

Bharat Taxi runs on a cooperative model, where drivers—referred to as "Saarthis"—are part of the platform's growth. The focus remains on offering reliable service and transparent pricing.

The platform today has a base of over **5 lakh registered Saarthis** and more than **29 lakh customers** across the country.

Mr. Vivek Pandey, COO, Bharat Taxi, said, "Chandigarh is an important market for us. We are working to build a dependable service that serves both customers and Saarthis well."

With this launch, Bharat Taxi continues to expand its presence across cities while strengthening its on-ground network.

About Bharat Taxi

Bharat Taxi (Sahakar Taxi Cooperative Limited) is a multi-state cooperative of Saarthis, built on the principles of fair earnings, shared ownership, and dignified livelihoods for drivers.

The platform is supported by national cooperative institutions including NCDC, IFFCO, GCMMF (Amul), KRIBHCO, NAFED, NABARD, NDDB, and NCEL.

Guided by the vision of "*Sahakar se Samriddhi*," Bharat Taxi aims to build a mobility system where drivers are not just service providers but participants in the platform they help run.
