

Bharat Taxi and Gujarat Police Sign MoU for Road Safety and Traffic Awareness Training for Sarathis

Ahmedabad, Gujarat: Bharat Taxi, the cooperative mobility platform of Sahakar Taxi Cooperative Limited (STCL), has signed a Memorandum of Understanding (MoU) with Gujarat Police to organise road safety and traffic awareness training programmes for Sarathis. The initiative aims to promote safe driving practices, improve compliance with traffic regulations and strengthen road safety across the state.

The MoU was signed between Shri. Rohit Gupta, Deputy Managing Director, Sahakar Taxi Cooperative Limited (STCL), and Shri. Makrand Chauhan, IGP, law & Order, Gujarat, during the Gujarat launch.

The MoU was exchanged in the presence of Hon'ble Union Home and Cooperation Minister Shri Amit Shah, Hon'ble Chief Minister of Gujarat Shri Bhupendrabhai Patel, Hon'ble Deputy Chief Minister Shri Harsh Sanghavi, Hon'ble Minister of Agriculture and Animal Husbandry Shri Jitubhai Vaghani, Hon'ble Minister of State for Cooperation Shri Rameshbhai Katara, Shri Jagdishbhai Vishwakarma, Dr. Ashish Kumar Bhutani, Secretary, Ministry of Cooperation, Government of India,

Shri Manoj Das, Chief Secretary, Government of Gujarat, Shri Arun Kumar Solanki, Additional Chief Secretary, Cooperation, Animal Husbandry, Cow Breeding and Fisheries, Government of Gujarat, Dr. Jayen Mehta, Chairman, Bharat Taxi, Shri Ashokbhai Chaudhary, Chairman, Amul Federation, Shri Kishan Bhajji Patni, Director, Bharat Taxi and Sarathi Representative, Shri Dhara Vallabh, Director, Bharat Taxi and Sarathi Representative, and other distinguished guests.

The partnership will facilitate regular training programmes for Bharat Taxi Sarathis on traffic rules, road safety, defensive driving, passenger safety and responsible road behaviour. The programmes will be conducted with the support of Gujarat Police to help Sarathis remain informed about traffic regulations and adopt safe driving practices in their day-to-day operations.

The initiative is intended to strengthen professional standards among Sarathis while contributing to safer roads and a better travel experience for passengers.

Speaking on the occasion, Shri Rohit Gupta, Deputy Managing Director, Sahakar Taxi Cooperative Limited (STCL), said:

"Safe mobility begins with responsible driving. This partnership with Gujarat Police will help equip our Sarathis with the knowledge and awareness needed to follow traffic regulations and adopt safe driving practices. We believe continuous learning is essential for providing dependable service to passengers while making our roads safer for everyone."

Bharat Taxi follows a cooperative model in which Sarathis are members and stakeholders of the platform. Along with creating sustainable livelihood opportunities, the organisation places equal emphasis on skill development, professional conduct and passenger safety through structured training and awareness programmes.

The collaboration with Gujarat Police reflects Bharat Taxi's commitment to promoting responsible mobility while advancing the cooperative movement and creating a safer transport ecosystem for commuters.

About Bharat Taxi

Bharat Taxi (Sahakar Taxi Cooperative Limited) is a multi-state cooperative society of Sarathis built on the principles of fair earnings, shared ownership, and dignified livelihoods for drivers.

The platform is supported by leading national cooperative institutions, including National Cooperative Development Corporation (NCDC), Indian Farmers Fertiliser Cooperative Limited (IFFCO), Gujarat Cooperative Milk Marketing Federation (GCMMF), Krishak Bharati Cooperative Limited (KRIBHCO), National Agricultural Cooperative Marketing Federation of India (NAFED), National Bank for Agriculture and Rural Development (NABARD), National Dairy Development Board (NDDB), and National Cooperative Exports Limited (NCEL).

Inspired by the vision of "Sahakar se Samridhi" (shared prosperity through cooperation), Bharat Taxi aims to build a mobility system where drivers are not only service providers but also partners in the platform they support.
